TONIGHT!! King Hall Small/Midsize Firm Fair

Attention 2L and 3L students! It is not too late to RSVP for the King Hall Small/Midsize Firm Fair TONIGHT! Name tags will be available for you to pick up at the main entrance of the law school before the event begins (or, if you RSVP today, you will be able to write a name tag). Please note that this event is for 2L and 3L students only.

Starting at 6:00 pm, firm representatives will be set up at tables in the hallway outside of Room 1301. The tables will be marked with firm names so that you will know who you are approaching. From 6:00 to 7:30 pm, you will be able to meet with firm representatives and drop off your resume. Dress for the event is business causal. This is a great opportunity to network and meet with attorneys from a wide array of practice areas. Many of these firms have hired our students and graduates in the past. In preparation, we recommend the following:

* Research the attending firms and attorneys
* Update your resume, tailor it to specific firms of interest, and print extra copies for the fair
* Meet with as many attorneys as possible - these firms enthusiastically signed up for the event because they want to meet you
* Contact Career Services at careerservices@law.ucdavis.edu or 530-752-6574 if you would like to discuss how to follow-up on positive meetings

Contact Career Services for a list of employers who will be represented.

**STATEMENT REGARDING MILITARY RECRUITMENT AT UC DAVIS SCHOOL OF LAW**

On August 25, 2017, President Trump issued a Presidential Memorandum directing the Department of Defense and Department of Homeland Security to prohibit the accession of transgender individuals into the United States military.

By-Law 6-3(b) of the Association of American Law Schools states as follows:
A member school shall pursue a policy of providing its students and graduates with equal opportunity to obtain employment, without discrimination or segregation on the ground of race, color, religion, national origin, sex, gender (including identity and expression), sexual orientation age, or disability. A member school shall communicate to each employer to whom it furnishes assistance and facilities for interviewing and other placement functions the school’s firm expectation that the employer will observe the principle of equal opportunity.

Despite AALS By-Law 6-3(b) and Law School policy, federal law, which the U.S. Supreme Court upheld in Rumsfeld v. Forum/or Academic and Institutional Rights, Inc., 547 U.S. 47 (2006), requires UC Davis School of Law to allow the military to use our facilities for recruiting law students. Although mandated by law to do so, the School of Law strongly condemns the U.S. military’s decision to limit the ability of transgender people to serve in the U.S. armed forces. UC Davis students who have served, are serving, and wish to serve in the military have earned our deep and enduring respect. We firmly believe that this opportunity should be available to all, regardless of their gender identity or expression. UC Davis School of Law provides its non-discrimination policy to every employer-including military employers-when they sign up to conduct on-campus interviews. We prominently post our non-discrimination statement when employers visit campus, which is designed to remind all employers of its terms. We will continue to enforce our nondiscrimination policy with all non-military recruiters. We urge the federal government to end its discrimination against transgendered persons.

What happens when the most-populous state in the US takes on the Feds in one of the hot-button issues of the day?

- **The Impact on Families and Communities:** What impact are travel bans, changes to DACA, stepped up ICE raids and other Trump administration policies having on immigrants and their communities?
