## General Information

### Electronic Signatures

A number of you have asked how to include an electronic copy of your signature when sending an application electronically. You can always type "\s\" above your name to indicate that you signed or follow the below instructions.

To create a signature text box to insert into e-mails:

1. Scan your signature.
2. Open your signature PDF, go to tools/select and zoom/snapshot tool and draw a text box around your signature.
3. Find Painter (usually under Accessories in your Start menu) and paste your signature into Painter.
4. Save the Painter file.
5. Open a new Outlook e-mail, select the Insert tab, select Picture.
6. Locate and select your Painter file.
7. Your signature should now be in the body of your e-mail as a text box.

## NALP Apartment Exchange

Do you need a place to live this summer? Check out NALP's Apartment Exchange (follow the link to the Apartment Exchange). This program is available from Jan. 15-May 14.

## Thank you!

We'd like to highlight the hard work of Kim Thomas and Peggy Burris during this week's OCI, as well as that of Ginger Welsh (Alumni Relations) and Kirsten Hill for last night's successful Student/Alumni Public Interest Mixer.
