The Career Services Office Is Open All Summer

As summer approaches, we want to remind you that the Career Services Office operates 12 months out of the year. We are here throughout the summer and are happy to field questions via e-mail, telephone, or in-person if you happen to be on campus. We will be sending informative e-mails to you throughout the summer with regard to OCI, job fairs, networking events, and fall recruiting. Let us know how you are doing and how we can help make your summer the best that it can be.

While you are away, do not forget to take advantage of some of our online resources including the [1L and 2L Career Planning Checklists](#). Each list contains information on how to maximize your summer. Attend as many networking functions as possible over the course of the next 3 months. Look to local bar associations for events where you can mix and mingle with attorneys and fellow law students working in your area. For a list of local and specialty bar associations in California go to: www.californiabarassociations.com/.
