Public Interest Fellowships

New Public Interest Fellowship opportunities are being posted on Symplcity every day. Progressive legal organizations across the state and country are seeking rising 3Ls with a demonstrated commitment to public interest law to partner with in anticipation of fall fellowship deadlines. The ACLU, Asian Law Caucus, East Bay Community Law Center and Public Advocates are just a few of the agencies soliciting applications. Agency application deadlines currently range from July 6th-July 30th to give ample time to prepare project proposals in advance of the fall fellowship deadlines. Equal Justice Works Fellowship applications will be available beginning July 5th and are due on September 15th. For additional fellowship information and resources, please contact Kirsten Hill in the Career Services Office.

Public Interest Clearinghouse—Opening Doors to Justice 2010**TUESDAY, JULY 13, 2010, 6 PM– 9 PM****THE PALACE HOTEL, SAN FRANCISCO**

Every year, the Public Interest Clearinghouse brings together 300 of our colleagues to recognize the work of three exceptional individuals in the legal community whose efforts have advanced the cause of equal access to justice. It is a privilege for us to have the opportunity to pay tribute to our colleagues who have dedicated their professional careers to providing "justice for all".

An evening of networking, fellowship and fun, Opening Doors to Justice is a statewide celebration, drawing attendees from diverse sections of the legal community – including law students, attorneys from both the private bar and legal services organizations, as well as representatives of the legislature and courts. Our event is not your traditional "fundraising dinner" – we provide our guests with hors d'oeuvres and wine, but encourage them to mingle throughout the evening, rather than constrain them to tables!
