

January 3, 2011**Happy New Year!**

This “off-schedule” Career News is to bring you gradually back from Winter Break and to remind you of upcoming events and deadlines. Career News will resume its regular release on Fridays, beginning January 7th.

1Ls: Diversity Opportunities

Do I qualify for “diversity” opportunities?

“Diversity” encompasses more than race and ethnicity. Many diversity programs also seek individuals based on disability, socio-economic disadvantage (e.g. first generation college and/or law school graduate), gender identification, and sexual orientation. Due to underrepresentation of women in the profession, many programs are open to *all* female applicants. Read the application criteria carefully before you disqualify yourself from something for which you may be eligible.
