## Diversity Opportunities

### 2012 Sacramento County Bar Association Summer Fellowship Program JANUARY 11, NOON-1 PM—INFO SESSION, ROOM TBA JANUARY 31, 5 PM—APPLICATION DEADLINE

The Sacramento County Bar Association is committed to promoting and increasing diversity in area law firms. The Summer Fellowship Program demonstrates that commitment by providing local minority and disadvantaged students an opportunity to work in a Sacramento law firm between the first and second years of law school. Come to the Info Session on 1/11 to hear from and to meet the program co-chair and past fellows. The application is available in the [Symplicity](#) Document Library.

### Bay Area Minority Summer Clerkship Program JANUARY 11—APPLICATION DEADLINE

The CSO has again secured a commitment of the Bay Area Minority Summer Clerkship Program to consider applications of qualified UC Davis candidates for Summer 2012. This program is sponsored by the Santa Clara, Alameda, and Contra Costa Bar Associations, and is much like the Sacramento County Bar Association Diversity Fellowship in that it places first-year minority law students in summer jobs with area law firms. Please view the information and application for the Bay Area Minority Summer Clerkship Program available on [Symplicity](#). Job ID 340346.

### Do I qualify for “diversity” opportunities?

“Diversity” encompasses more than race and ethnicity. Many diversity programs also seek individuals based on disability, socio-economic disadvantage (e.g. first generation college and/or law school graduate), gender identification, and sexual orientation. Due to underrepresentation of women in the profession, many programs are open to *all* female applicants. Read the application criteria carefully before you disqualify yourself from something for which you may be eligible.

Please see the 1/19 email, “Diversity Opportunities” for the SCBA Fellowship and Bay Area Minority Summer Clerkship Program applications.
