A Few Reminders:**BIDDING:**

All bidding goes through the OCI & Resume Collection section of Symplicity. You can open each session to see the employers, their job postings, and what application materials they want submitted. NOTE: You are only able to view employers who are recruiting for your class year.

Make sure to review all documents CAREFULLY before submitting. Common mistakes include: typos, not accepting all track changes in a document, and addressing cover letters to the wrong employers. Once the deadline has passed, documents are sent directly to the employers, and you will not be able to make changes to submitted materials.

CHECK YOUR EMAIL FREQUENTLY:

Beginning now and going through the recruiting season, OCI information and updates will be sent via email, including new employer information, notification of OCI interview selections, interview reminders, and other important messages regarding OCI. Occasionally, emails sent through Symplicity go into junk mail; be sure to check your junk mail box daily during the OCI season. All OCI emails will be sent to your UC Davis email addresses.

Federal Law Clerk Hiring for Post-Graduate Judicial Clerkships

The Ad Hoc Committee on Law Clerk Hiring led by Chief Judge Merrick Garland recently announced a two-year pilot federal law clerk hiring plan for post graduate clerkships. The following Circuits have signed on to the plan: DC Circuit, Second Circuit, Seventh Circuit, Ninth Circuit, and District of Connecticut. The plan provides that students in the class of 2020 will begin the federal law clerk application process starting **June 17, 2019**. Specifically, federal judges in the participating circuits will not seek or accept formal or informal clerkship applications, seek or accept formal or informal recommendations, conduct formal or informal interviews, or make formal or informal offers before the June 17, 2019 date.

Consequently, the Class of 2020 will gain access to OSCAR (the federal online system of clerkship application and review) on February 6, 2019 to register for an account, upload documents, search for federal clerkship positions, and build online applications. The system will store these applications and release them to judges on June 17, 2019.

UC Davis School of Law is committed to following this plan. As such, a revised clerkship application timeline is as follows:

Fall 2018 - Make an individual appointment with [Natalie Butcher](#) in Career Services to discuss your individual clerkship application strategy

February 6, 2019 - Register in OSCAR and search for federal clerkship positions

Spring 2019 - Draft application materials and seek review from Career Services, request letters of recommendation, prepare your applications

June 17, 2019 - Submit applications to federal judges in OSCAR

If anything changes, we will communicate the update with you as soon as possible through your class listserv. Please contact [Natalie Butcher](#) in Career Services if you have any questions or would like to set up an appointment to discuss your individual judicial clerkship application strategy.

Judicial Clerkship Opportunities

If you are interested in judicial clerkships, please set up an appointment with [Natalie Butcher](#) in Career Services to discuss your individual clerkship application strategy.
