

RICHARD TOSHIYUKI DRURY
Biographical Information

Richard Toshiyuki Drury is a partner with the law firm of Lozeau | Drury LLP where he represents environmental organizations, individuals and workers in environmental matters. From 2003 through 2008 he was a shareholder with the environmental law firm of Adams, Broadwell, Joseph and Cardozo. From 1993 to 2003 he was legal director and attorney for Communities for a Better Environment (CBE), and was CBE's Board President through 2008. Prior to working for CBE, he was an environmental law fellow at the law firm of Shute, Mihaly & Weinberger in San Francisco. He is a member of the Board of Directors of the Center on Race, Poverty and the Environment. He was a member of the Executive Committee of the Environmental Law Section of the State Bar of California from 2006 through 2009, and was chair of the Section's annual environmental law conference from 2007 through 2009. Mr. Drury was the chair of the United States Environmental Protection Agency's National Environmental Justice Advisory Committee Pollution Trading Work Group from 1996 to 2000. Mr. Drury is a 1990 graduate of the Yale Law School, where he received the Raphael Lempkin Prize for outstanding work in the field of international human rights, and where he served on the editorial board for the *Yale Journal of Law and Liberation*. He holds a B.S. degree in chemistry and a B.A. degree in philosophy from the University of Illinois, where he graduated Phi Beta Kappa, Magna Cum Laude. Mr. Drury has been an adjunct professor or environmental law at the University of California Berkeley School of Law, Golden Gate University School of Law, and New College Law School in San Francisco. He served as a law clerk to Chief Judge Thelton Henderson of the United States District Court in San Francisco. Mr. Drury has received numerous awards, including the prestigious California Lawyer Magazine Attorney of the Year award in 2011, 2009 and 2002 (joint award), the Ecology Law Quarterly Environmental Leadership Award in 2003, and the Super Lawyer Award (2008, 2009, 2010, 2011). He has published several articles on environmental justice law, and a leading article on pollution trading (Pollution Trading and Environmental Injustice: Los Angeles' Failed Experiment in Air Quality Policy. IX *Duke Environmental Law & Policy Forum* 231. www.law.duke.edu/journals/delpf (Spring 1999)). He was co-author of a book published by Beacon Press on international human rights law in the West Bank entitled *Plowshares and Swords*, and a chapter in the book, *Common Law Remedies to Environmental Problems* (ELI, 2007). He has been involved in numerous successful published cases in the California Supreme Court, California Courts of Appeal, and federal courts (partial listing):
