

Sharing a whiteboard

Overview

The whiteboard feature will allow you to share a whiteboard that you and other participants (if allowed) can on.

Prerequisites

Multiple whiteboards in a meeting

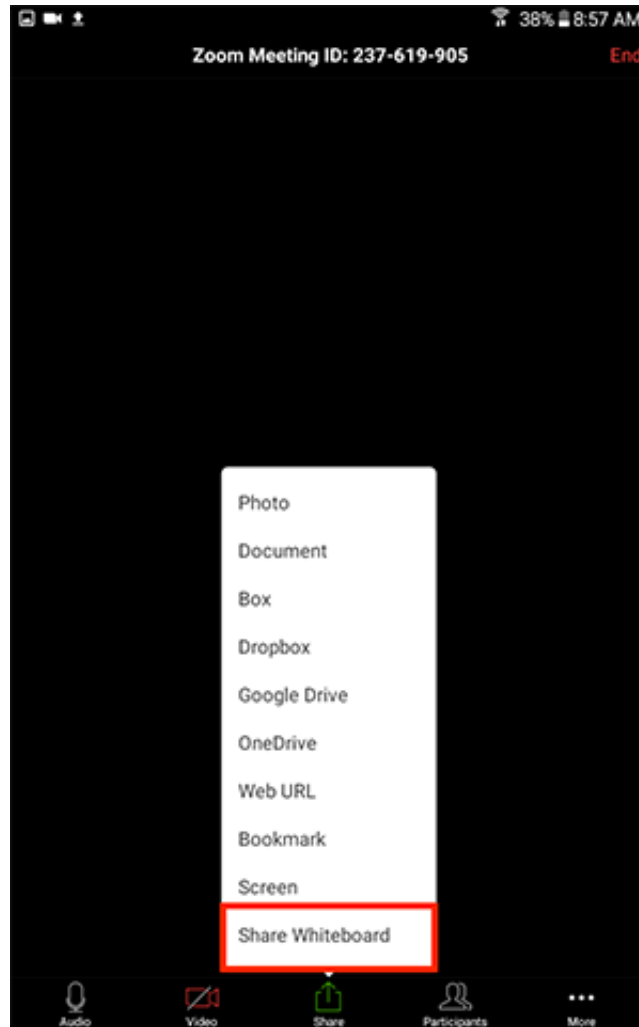

If you have [simultaneous screen sharing](#) on, multiple participants will be able to share a whiteboard at once. However, to see two whiteboards at once, or your own whiteboard and another participant's, you will need to have [dual monitors](#) enabled.

Sharing a whiteboard

1. Tap **Share** in the meeting controls.

2. Tap **Share Whiteboard**.

3. Tap the pen icon to open the [annotation tools](#).

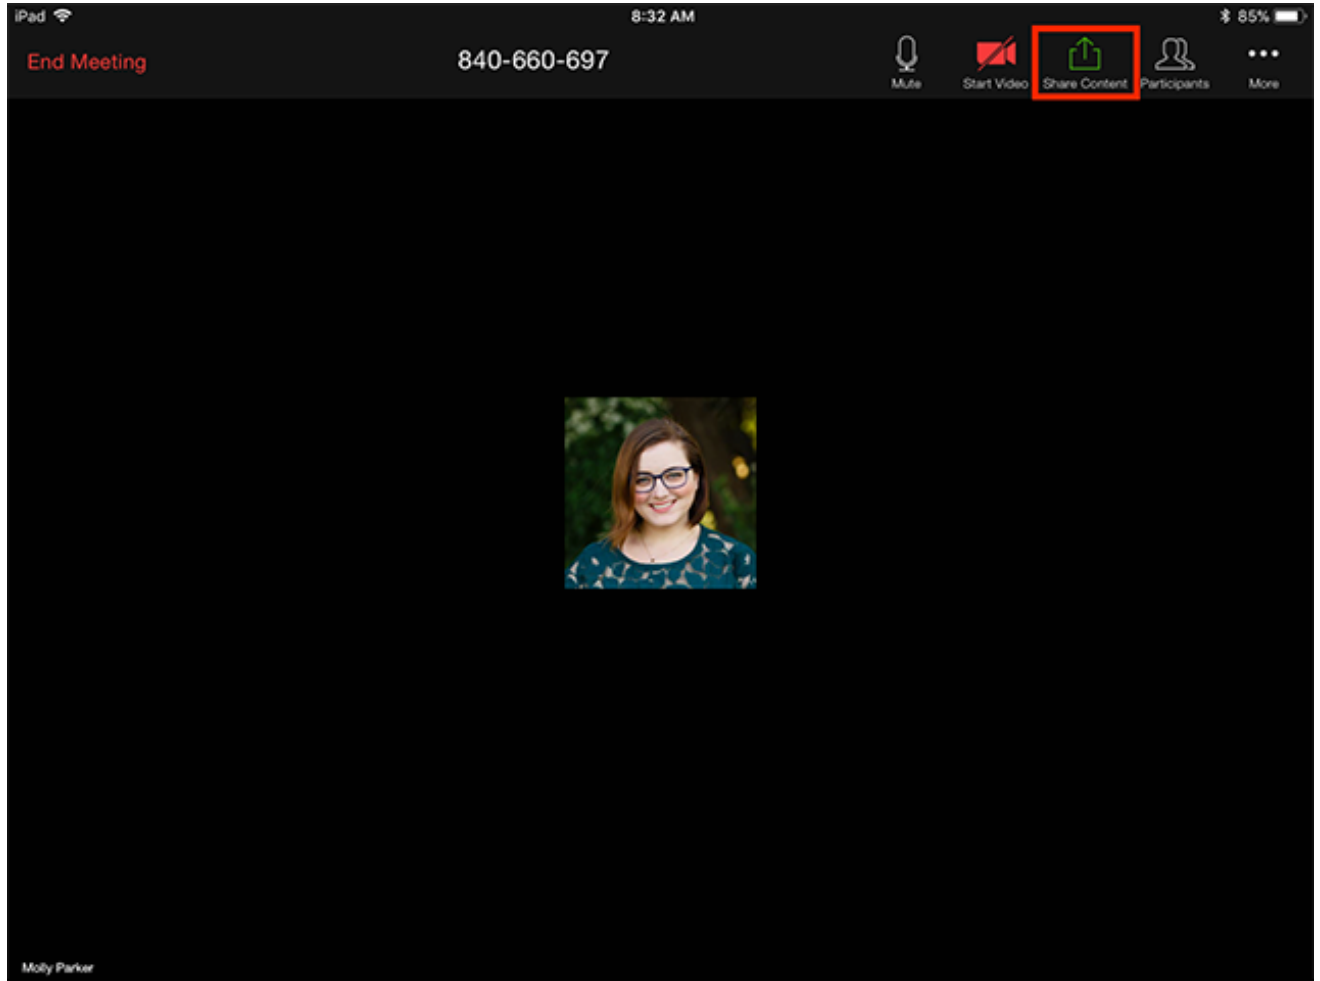

4. When you are done, tap the pen icon to close the annotation tools and tap **Stop Share**.

Note: Whiteboard is currently available for iPad only. If you are on an iPhone, you will not see the Whiteboard option.

How to Share a Whiteboard

1. Tap **Share Content** in the meeting controls.

2. Tap **Whiteboard**.

3. The [annotation tools](#) should appear automatically, but you can tap the pen tool to show and hide them.

4. When you are done, tap **Stop Share**.
