Davis, California

Davis is centrally located in beautiful Northern California with a population of approximately 68,000 people, not including UC Davis students. It is located 20 kilometers west of Sacramento, the state capital of California, and 110 kilometers east of Berkeley, San Francisco and the Bay Area and Silicon Valley.

It is also close to Lake Tahoe, the Napa Valley wine country and Yosemite National Park.

Davis residents boast the highest level of education in the state, and the city has received numerous awards for being among the best places to live in the United States. Davis has a reputation for environmental awareness and energy conservation.

Davis is known for its dry and warm Mediterranean-style summer days and marine-cooled nights. The flat, open spaces are ideal for bicycling, jogging and pleasure driving. The parks and recreational department of the city of Davis offer numerous educational, artistic and sporting activities that the entire community enjoys. The university offers additional recreational and fitness activities and facilities, including a modern sports complex, tennis courts, baseball and soccer fields, and a game area.

The School of Law

The School of Law, University of California, Davis, is one of five law schools in the University of California system and is a premier institution for legal education. It has an outstanding faculty, renowned for its teaching and scholarly abilities, and a reputation for producing exceptional lawyers in a highly supportive learning atmosphere.

Over the last few years, UC Davis Law School graduates have consistently achieved some of the highest bar passage rates in California. The limited size of the student body and the school's idyllic setting contribute to a tradition of close association between students and faculty. The UC Davis School of Law provides excellent care for students, and the atmosphere is regarded by students as nurturing and collegial.

While the law school favors a generalist rather than a specialist curriculum, it also offers students some of the leading legal thinkers in specialized fields. Faculty members have shaped the law in such areas as scientific evidence, business law, conflict of laws, non-marital cohabitation and criminal sentencing. They have helped to form environmental law in Washington, D.C., constitutions in Eastern Europe, commercial law in China, family law in England, the Netherlands and Germany, and arbitration and alternative dispute resolution in Indonesia.

Getting Around Davis

Bicycle Rental

Davis is a small college community known as the "bicycling capital" of the United States, boasting more bicycles than residents. Everyone from small children to professors and business people ride bicycles.

Students are encouraged to rent or buy a new or used bicycle. We recommend you reserve a bicycle at the UC Davis Bike Barn or purchase one at a downtown bike shop. Reservations fill quickly, so we encourage students to reserve as early as possible

Please note: Current Bike Barn rental fees are viewable at the following website (subject to change): bikebarn.ucdavis.edu/rentals or call (530) 752-2575. Bikes are maintained to the highest mechanical standards and may have visible cosmetic wear and tear.

Students may choose instead to wait until arrival in Davis to rent bikes, or may choose to arrange bike rental in advance with another rental company. Please note that bike availability in summer is usually low due to the large number of summer programs, so we strongly recommend advance reservation.

Public Buses: Campus-run bus system (Unitrans)

unitrans.ucdavis.edu/routes/

Unitrans, the university-operated bus system, runs regularly throughout the entire Davis area. Walking is an alternate way to access the campus, classes, most sports facilities and the downtown business area while in Davis. Bus fares are low, and multi-ride tickets are available.

Car Rental

We recommend that if you wish to have the use of a private car, you should make car rental reservations in advance from your home country prior to arrival in the United States for the best rates.

As pricing and restrictions vary widely, it is usually advantageous to contact a local travel agent or international car rental agency in order to make arrangements to have a car available at either the Sacramento International Airport or the San Francisco International Airport. It may also be possible to make car rental arrangements while in Davis at local car rental agencies.

Campus Parking Access

All parking regulations are enforced year-round, including during quarter breaks and summer. UC Davis parking access validation (permit) is required to park on campus, through the ParkMobile app available in your phone's app store. Failure to pay for parking may result in a citation.

"The professor and course materials were very useful. I will use this in my work in Japan."

What to Bring

Summers in Davis means warm to hot days with generally temperate nights. Plan for lots of walking and classrooms with air conditioning. Most class days, the dress is casual, but you should also pack some business clothing for occasional use. If you plan to visit San Francisco and/or Lake Tahoe, bring pants and a light jacket, as temperatures at those locations tend to be cooler.

Medical Insurance

We require that all participants have short-term medical insurance coverage while in the United States (carrying a minimum of \$500,000 U.S. dollars in coverage plus \$25,000 U.S. for medical evacuations and \$10,000 U.S. for repatriation of remains). A short-term medical plan is available to purchase online before registration and covers participants and/or family members through the last day of the program (cost is approximately \$50 U.S. dollars per week per person). **Program staff will contact you after you register to provide instructions for acquiring appropriate insurance coverage.** It may be possible to obtain comparable coverage in your home country through your business, organization, travel agency or other available sources. However, we will require that you sign a waiver assuming the risk for medical coverage should you decide not to purchase the medical insurance we offer. Dental and vision insurance is available if needed; please inquire. As a precaution, we strongly recommend that you bring an extra pair of eyeglasses (if worn)—or your optometry prescription as well as any additional supplies of necessary medications or prescriptions—in case of an emergency situation. If you have any questions, please contact us.

The following visa guidance will assist you in your immigration plans for the summer and next year.

If you are only planning to attend any or all of the summer programs and you are not beginning an educational program at UC Davis or another university this fall, we recommend that you obtain a Visitor's Visa (B-1).

If you are continuing on with an educational program at UC Davis or another school after completing one or more of our summer programs, please contact Stephanie Palmer, International Student Services Advisor at skpalmer@ucdavis.edu or 530-752-8811. She will assist you in obtaining an I-20 (the certificate of eligibility for the F-1 “student” visa) and with the visa transfer process.

UC Davis LL.M. Only

If you are not taking part in our summer law programs but will enroll in our LL.M. program, your I-20 will be issued by UCD's Services for International Students and Scholars (SISS). Once you have submitted your Statement of Intent to Register (SIR), we will provide you with details on how to reach out to the dedicated immigration advisor of our LL.M. students. She will provide you with immigration support throughout your academic career at UC Davis.

Application Procedure

Enrollment space is limited. We encourage you to register early (at least 6-8 weeks prior to the first day of the program) to ensure adequate time for visa processing (see pages 11). A TOEFL score is not required for enrollment in the summer “open enrollment” programs.

Please make sure your application is completed properly. Any missing or incomplete information will cause a delay in processing your enrollment and I-20 form for your student visa.

Complete the “Application for Enrollment” online, using our secure website at law.ucdavis.edu/international/about/brochures-applications.html.

Once we have received your application, our office will contact you with further details and other next steps.
